

#BeACentralino

B.S. in Biology

The program utilizes a holistic approach starting from a broad Liberal Education to the introduction of the basic and applied principles of Biology which specifically follows a track to prepare the students to become a licensed Microbiologist, Biological Laboratory Scientists, Field Biologist, and many other specialized careers

Apart from the roster of faculty who have backgrounds and experience aligned to the needs of the Biology Program, MCU is equipped with up-to-date facilities required of its program. The modality of teaching is transformative and outcomes based, hence our graduates are results-driven and output oriented.

Duration : 4 yrs
No. Credits : 163
Start Date : September
Tuition/sem : P47,165
